### Younan Properties Supports Houston Food Drive Effort

**Houston, December 6, 2010** -- Younan Properties and its tenants are celebrating the Spirit of the Season by participating in a local Houston food drive. Younan Square located at 1010 Lamar in downtown Houston, 1700 West Loop, and 2323 Shepherd Place in the Galleria district are combining efforts to support the Houston Food Bank in its holiday food drive collection from December 13-17. Younan Square, in its third year of participation, kicked off the drive earlier on November 29 and will continue its collection efforts through December 17. Building tenants, staff and visitors are encouraged to donate non-perishable food, which will be given to thousands of local residents who are struggling this holiday season.

According to Roland Chua, Younan Properties' Regional Vice President of Leasing & Operations for Houston, this is an opportunity to give back to the community. "We are much more than just an owner and operator of commercial office buildings, we are part of our communities. As community partners, we believe in supporting important local organizations such as the Houston Food Bank. At this special time of year, we encourage everyone to step out to help local Houstonians."

#### ***About the Houston Food Bank***

The Houston Food Bank is the largest source of food for hunger relief charities in 18 southeast Texas counties. A network of more than 400 food pantries, soup kitchens, senior centers and other agencies, feeding a total of 137,000 people each week, provides more than 65 million pounds of food and prepared meals annually.

#### ***About Younan Properties***

Headquartered in Los Angeles, Younan Properties, Inc., a privately-held real estate investment and management company, specializes in acquiring Class A office properties in high-growth markets throughout the United States. Known for its detailed, hands-on approach to improving operational efficiencies while maintaining top building standards for tenants, the company is recognized for its success in turning around undervalued assets and maximizing the value of stabilized assets. Through the application of proprietary technologies and proactive management, Younan has accumulated approximately 11 million square feet of well-located Class A office buildings valued at more than \$1.5 billion in key markets in California, Texas, Illinois and Arizona.
